

FILE AN EXTENSION

If you are unable to complete your tax return by the tax deadline, we suggest that you allow Tucson Tax Team to electronically file an extension. In order to do so, we need your written consent. To give your consent, please sign where indicated below. **If you file Married Filing Jointly, we must have consent from both of you.** Return this form to us via email (info@tucsontaxteam.com), through the portal (tucsontaxteam.com), by fax (520-777-7844), by mail (6111 E Grant Rd, Tucson, AZ 85712) or by bringing the form to our office.

Important points about extensions:

- An extension gives you until October 15 to file your tax return. **The extension does not, however, give you extra time to pay.** The taxes you owe for this tax year are still due by the mid-April filing deadline. You must estimate any tax that is due and pay at least 90% of that tax with your extension. If you need help to estimate your tax due, call for an appointment.
- Whether or not you file an extension, if you owe tax and do not pay those taxes due by mid-April, the IRS and state taxing authorities will charge you **significant penalties and interest.**
- If you cannot pay your taxes by mid-April, your best option is to file the return as soon as possible and make payment arrangements with the IRS. We can help you do this.

For questions regarding your extension or to make an appointment, please call us at 520-777-7844.
